

One Day Workshop on SPOKEN ENGLISH entitled
"HOW TO HOLD A BASIC CONVERSATION"

organized by Government College Gharghoda on 20 October, 2022

Time: 01:00 PM

Venue: Government College Gharghoda, Seminar Hall

Resource Person: Dr. (Mrs.) Shruti Shrivastava

One-day workshop was held for the benefit of students focusing on the theme "HOW TO HOLD A BASIC CONVERSATION".

OBJECTIVE:

Learning how to introduce yourself and greet people both formally and informally are essential skills in any language. This session will help the students to learn how to say hello and goodbye, as well as vocabulary that they can use when meeting new people and making friends.

MINUTES:

The workshop was presided over by the IQAC Coordinator of the college Ms. Renu Kujur, the HOD of Zoology Department. She spoke on the importance of **holding a basic conversation**. She invited keynote Speaker Dr. (Mrs.) Shruti Shrivastava, Asst. Prof. English, to start the session.

Dr. Shrivastava told that being able to have a basic English conversation isn't hard—one just need to know how to express oneself and start with brief, simple conversations.

To hold a basic conversation, one need to be able to:

- Make introduction and share some personal information.
- Talk about their needs and expectations.
- Make future plans.
- Talk about career and educational background.
- Hold simple conversations with people they encounter in day-to-day activities, like shopping, going to the bank or going to the doctor's clinic.

She motivated students for having a conversation outside the classroom, which can be more challenging – but not to give up! The more practice they have in the real world the better. She told them while listening to someone during a conversation, focus on the words they recognise and understand more than the words they don't. Madam speaker also suggested the students to practise by listening to conversations English speakers have with each other on the radio, online interviews, movies, TV shows etc.
