## NATIONAL SCIENCE DAY

### REPORT

National Science day is celebrated on 28<sup>th</sup> Feb. every year in order to commemorate the birth anniversary of Indian physicist, Sir Chandrasekhar Venkata Raman. C. V. Raman was honoured and awarded with the Nobel Prize in Physics in 1930 for his unparalleled contribution in the field of science. He won millions of hearts and marked a path towards the journey of Science not only in India but across the world.

The staff and students of Govt. College Gharghoda remembered the contributions of this great man by organizing a Science Fair in the college premises. The event was planned by Science Club. Students from Science (Botany, Zoology, Physics) and Arts (Geography) faculty have taken part in great numbers. Dr. Y. K. Chandra (In-charge Principal), Dr. Shruti Shrivastava, Dr. Renu Kujur, Shri Neelkamal Nirala, Shri Ajay Kumar, Shri Vivishan Sidar Ms. Sublaya Pradhan, Ms. Pushpa Choudhary and other staff members played an important role in making this event successful.
